NOTIFICATION

**Government of Maharashtra
Urban Development Department,
Mantralaya, Mumbai 400 032.**

Date - 23.2.2011

No.TPS-2009/3452/C.R.2090/2010/UD-13

Maharashtra
Regional &
Town Planning
Act 1966.

Whereas, the Vita (District Sangli) Municipal Council (hereinafter referred to as "the said Municipal Council") being the Planning Authority (hereinafter referred to as "the said Planning Authority") for the area under its jurisdiction, by its Resolution No.52, dated 21.09.2002 made a declaration under Section 38 read with Section 23 (1) of Maharashtra Regional & Town Planning Act, 1966 (hereinafter referred to as "the said Act") of its intention to revise the Development Plan for the Original area within its jurisdiction and notice of such declaration was published at Page No.2439 of the Maharashtra Government Gazette, Pune Supplement dated 21.11.2002;

And whereas, the said Municipal Council after carrying out the survey of the entire area within its jurisdiction, prepared the Draft Development Plan along with Development Control Rules of Vita (hereinafter referred to as "the said Development Plan") & published the said Development Plan under Section 26 of the said Act vide Resolution No.98, dated 25.3.2006 and published a Notice to that effect for inviting suggestions/objections from public in Maharashtra Government Gazette, Pune Division dated 30.3.2006 on Page No.581;

And whereas, after considering the suggestions and objections received from the public to the proposals of the said Development Plan, the said Planning Authority has submitted the said Development Plan along with Development Control Rules under sub-Section (1) of Section 30 of the said Act on 24.3.2009 to Government of Maharashtra for sanction;

And whereas, in accordance with sub-Section (1) of Section 31 of the said Act, the Government of Maharashtra after consulting the Director of Town Planning, Maharashtra State, Pune has sanctioned the said Development Plan excluding the part marked as EP-1 to EP-45 on the said Development Plan (hereinafter referred to as "the said Excluded Part") vide notification no.TPS-2009/1138/CR-1964/09/UD-13, Dt-31.8.2009;

And whereas, the said development plan contains the Draft Development Control Regulations for the area under jurisdiction of Municipal Council, Vita;

And whereas, the Government of Maharashtra after making necessary inquiries and after consulting the Director of Town Planning, Maharashtra State, Pune has proposed to accord sanction to the Development Control Rules submitted by the Planning Authority;

Now, therefore, in exercise of the powers conferred by Sub-section (1) of Section 31 of the said Act and all the other powers enabling it in that behalf, the Government of Maharashtra hereby,

(A) Accord sanctions the said Development Control Rules of Vita Municipal Council with changes as specified in the Schedule of Modifications i.e. Schedule I appended hereto and;

(b) Fixes the date, 1.4.2011 to be the date on which final Development Control Rules of Vita shall come into effect.

(B) This notification is also available on Govt. web site www.urban.maharashtra.Gov.in

By order and in the name of the Governor of Maharashtra,

(Sunil Marale)

Under Secretary to Government.

Slope, if any, shall not have gradient greater than 5%. Selection of floor material shall be made suitably to attract or to guide visually impaired persons (limited to colored floor material whose colour and brightness is conspicuously different from that of the surrounding floor material or the material that emit different sound to guide visually impaired persons hereinafter referred to as "guiding floor material" (Annexure-I). Finishes shall have a non-slip surface with a texture traversable by a wheel chair. Curbs wherever provided should blend to a common level.</p> <p>4.2 Parking:- For parking of vehicles at handicapped people the following provisions shall be made.</p> <p>After para no 5.3.4 following annexure shall be inserted</p>

ANNEXURE EXPLANATORY NOTES

GUIDING/WARNING FLOOR MATERIAL

The floor material to guide or to warn the visually impaired persons with a change of colour or material with conspicuously different texture and easily distinguishable from the rest of the surrounding floor materials is called guiding or warning floor material. The material with different texture gives audible signals with sensory warning when a person moves on this surface with walking stick. The guiding/warning floor material is meant to give the directional effect or warn a person at critical places. This floor material shall be provided in the following areas:

- a) The access path to the building and to the parking area.
- b) The landing lobby towards the information board, reception, lifts, staircases and toilets.
- c) Immediately at the beginning/end of walkway where there is a vehicular traffic.
- d) At the location abruptly changing in level or beginning/end of a ramp.
- e) Immediately in front of an entrance/exit and the landing.

PROPER SIGNAGE

Appropriate identification of specific facilities within a building for the handicapped persons should be done with proper signals. Visually impaired persons make use of other senses such as hearing and touch to compensate for the lack of vision, whereas visual signals benefit those with hearing disabilities.

Signs should be designed and located so that they are easily legible by using suitable letter size (not less than 20 mm high). For visually impaired persons, information board in braille should be installed on the wall at a suitable height and it should be possible to approach them closely. To ensure safe walking there should not be any protruding sign which creates obstruction in walking. Public Address System may also be provided in busy public areas.

The symbols/information's should be in contrasting colour and properly illuminated because people with limited vision may be able to differentiate amongst primary colours. International symbol mark for wheel chair as shown below be installed at a lift, toilet, staircase, parking areas, etc., that have been provided for the handicapped.

19 Special provisions -Following special provisions to be added after the existing rule no 29

Rule no 30-Terms & conditions for kindergarten, club house etc. permissible as per byelaws in the open space of sanctioned layout.

20 Where open space is not handed over to Municipal Council.

21 Ownership of the construction shall be transferred to all the plot owners of the sanctioned layout, for whom open space is

	<p>provided as an amenity by a registered sale deed.</p> <p>2) Proposal for such construction shall be received from the owners of the plots / co-operative housing society of the owners/federation of societies of plot owners and such proposal should not be a commercial project, but it should be beneficial to all the plot owners of the sanctioned layout.</p> <p>3) Such construction should be used for recreation & other concerned public purposes. The security deposit as decided by the Municipal Chief Officer shall be deposited with the Municipal Council.</p> <p>4) Open space shall be kept permanently open to sky & shall made available to the plot owner of the sanctioned layout for play ground or recreation purpose.</p> <p>5) Municipal Chief Officer may impose terms & conditions as if he thinks fit.</p> <p>6) If co-operative housing society / federation of societies of the land owners / plot holders have not been constituted, then all the plot holders shall submit a registered undertaking about the aforesaid construction to the Chief Officer.</p> <p>B) If 10% open space is transferred to Municipal Council, then it will be given to plot holder's co-operative housing society/federation of societies of plot owners on lease on above terms & conditions or the Municipal Council may develop it</p>
20	<p>Rule no-31-Commercial use of lands in the possession of the Maharashtra State Road Transport Corporation</p> <p>Notwithstanding anything to the contrary contains in this regulations or the Development Plan/Planning Proposals, land in the possession of Maharashtra State Road Transport Corporation shall be allowed to be developed for commercial use to the extent of 50% of the admissible floor space index subject to the general restrictions otherwise applicable to such development and also in accordance with the Government of Maharashtra, Home Department. Resolution No.STC 3400/CR-148/TRA- 1, dated 1st February, 2001 as may modified from time to time.</p>
21	<p>Rule no 32- Regarding permitting construction of buildings in proximity to Railway track</p> <p>No construction shall be allowed within a distance of 30 meter from the railway boundary without obtaining written permission of the concerned Railway Authority.</p>
22	<p>Rule no-33 - Integrated housing and slum development program (IHSDP):</p> <p>1) Integrated housing and slum development programme shall be executed by Municipal Council itself. For Integrated housing and slum development programme appointment of developer should not be made.</p> <p>2) 2.5 FSI is allowed on the total area of the plot used for integrated housing and slum development programme</p> <p>3) All the Development Plan proposals within integrated housing and slum development programme area should be developed while executing above integrated housing and slum development programme</p>
23	<p>Rule No-34 - Additional FSI to Religious Buildings:</p> <p>The chief officer may permit the floor space indices to be exceeded in respect of buildings of religious purpose of registered Public Trust in independent plots by 0.50 FSI subject to following terms & conditions.</p>

	<p>i) The religious building shall be on independent plot.</p> <p>ii) No objection certificate shall be obtained from concerned Police Authority and Collector, Sangli before applying for permission.</p> <p>iii) Additional FSI shall be used for religious purpose only. Ancillary residential user may be permissible within 10% of total area. No commercial user shall be permissible.</p> <p>iv) The additional FSI shall be permissible to existing authorized religious user subject to structural stability.</p> <p>v) No condonation in the required marginal open spaces and parking shall be allowed in or grant of such additional FSI.</p> <p>vi) The additional FSI shall be permissible subject to payment of premium of 25% of ready reckoner value of respective year. Out of which 50% shall be paid to Government and 50% shall be paid to the Planning Authority (i.e. Corporation).</p> <p>vii) The minimum area of plot shall be 500 sqm.</p> <p>viii) The proposal shall be consistent with the Development Plan Proposals.</p>
24	<p>Rule no -35 Special regulations for development of special townships in area under municipal council</p> <p>Special shall be permitted in the municipal council area as per the directives given by the Government vide their notification no. TPS-1806/2348/CR-476/6/UD-13, dated-03.07.2007 and subsequent modification issued by Government time to time</p>
25	<p>Rule no -36 regulations for sub-division of the land</p> <p>1) For the sub-division of the land admeasuring 2000 sq.mt. and more, following provision shall be compulsorily provided-</p> <p>a) 10% area in the form of 30 to 50 sq.mt. plots for EWS/LIG.</p> <p>b) 10% area in the form of 50 to 100 sq.mt. plots.</p> <p>2) For the layout of the land, admeasuring 4000 sq.mt. and more, following provision shall be compulsorily provided-</p> <p>a) 10% tenements shall be provided for each EWS/LIG Group (30 to 40 sq.mt.) and MIG Group (41 to 60 sq.mt.)</p>
